

### **Option 3: Jasmine Mullins & Benjamin Preston**

Engaged January 1, 2018

My name is Jasmine Mullins and my boyfriend proposed to me in the early morning hours of January 1, 2018.

I had a feeling that he would ask me to marry him around Christmas. In fact, I even found out that he had picked out a ring. On Christmas morning I thought for sure he'd ask me then, but it never happened.

On New Year's Eve, a few minutes before midnight, he sat down his drink and look at me a certain way and I thought "it's gonna happen now!" But we just smiled at each other and rang in the ew year.

We got back home around 1:30 in the morning on January 1st. I went into the living room to grab a throw and I turned around and he was on one knee. I immediately started crying because I was so happy. It was so simple, but yet so perfect.
