

BEN @10

BEN @10 WEATHER

Southern Indiana's only daily live morning forecast. Hosted by Meteorologist Ben Peine. Broadcast-grade graphics, certified accuracy, and an audience that's already checking the forecast before they start their day.

WHY PARTNER

BE IN THE FORECAST THEY TRUST.

Ben Peine is the certified meteorologist Southern Indiana trusts – 25+ years of broadcast-grade accuracy and a daily live audience. When your brand sits inside his forecast, it borrows that trust. Static logos. Live call-outs. Recap clips. Same reason they tune in. Same reason they'll remember who powered it.
